June 14, 2022, 5:00 PM

Members Present: Barur Rajeshkumar, Gary Flynn, and Robert Barrell, Jr.
Members Absent: William Chase
Also Present: None

Location: Raymond Huntington Highway (Onsite at Mr. David Mercurio's pit)

The meeting was called to order at 5:00 p.m. by Mr. Barur Rajeshkumar, who conducted a roll call.

Mr. Rajeshkumar proposed the following slate of officers for the Board reorganization:

Mr. Barur Rajeshkumar as Chairperson
Mr. Robert Barrell, Jr. as Vice Chairperson
Mr. Gary Flynn as Clerk

This motion was seconded by Mr. Barrell and unanimously approved.

The request to renew the earth removal permit for Mr. David Mercurio's pit at Raymond Huntington Highway was reviewed.

The permit application has been deemed complete. The estimated quantity of earth to be removed is below 10,000 cubic yards. A bond in the amount of \$10,000 has been posted. After reviewing the building inspector's recommendation report, a motion was made by Mr. Barrell and seconded by Mr. Flynn. The motion to approve the permit renewal was unanimously approved.

At 5:20 p.m., Mr. Flynn proposed to adjourn the meeting. This motion was seconded by Mr. Barrell and approved by all attendees.

Respectfully submitted,

Barur Rajeshkumar
